

Mary's Village, Phase I is complete. It offers four, single story residential buildings with classroom and meeting spaces. Residents are turning their lives around thanks to the programming and stability provided by the homes. Phase II will offer 16 rent subsidized housing units for program graduates. Phase II plans are drawn up and permits are being pulled. Phase III, still in planning, includes 17,000 square feet of medical, administrative and educational space. When completed, Mary's Village will be a residential complex that will provide on-site medical, behavioral health, training, and supportive services for residents.

Anniversary Gala

Making a Difference Together

Dear Friends,

It is with God's blessings and excitement that we are able to invite you to our annual Mary's Mercy Center Gala on Friday evening, October 15th, at the Candlelight Pavilion in Claremont.

Join me to pause and reflect on all that has been accomplished and done for our poor and homeless brothers and sisters through your generosity in supporting Mary's Mercy Center. Where would we be today without you? God has moved you to be His touch for many and now we need you more than ever for the present and future growth of this ministry. A special anointing is given to those who participate in continuing God's work.

*'Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.'*

*Mt 25:4*

Please plan on attending. Be a part of God's continuing miracle-working through the programs of Mary's Mercy Center, a gospel ministry for the poor.

I thank you and look forward to seeing you there.

Sincerely,

  
Fr. Michael Barry, SS. CC.
